

Serving People With Developmental Disabilities

Application for Life Enrichment Adult and Young Adult Programs

Welcome to The Arc of San Antonio. We are pleased you are interested in applying for admission to the Arc's Life Enrichment Young Adult or Adult Program. In order for us to best serve you, your family member, or the individual you represent, we ask that the attached packet be completed prior to admission.

If you require additional information or assistance in completing the application please contact the program coordinator or the Director:

Andrea Fagarason, Director of Day Services
(210) 490-4300 x119

Maryela Garza Life Enrichment-Young Adult/Adult Program Coordinator, West Ave. (210) 490-4300 x106

Anna Garcia, Life Enrichment – Child & Young Adult Program Coordinator,
Pam Stephens Center (210) 682-4200 x201

Thank you!

The Arc of San Antonio

The Arc of San Antonio's Life Enrichment – Adult Program was started in February of 1998. Since that time it has continued to grow with total enrollment in excess of 170 participants. The Arc offers programming to individuals with all levels of mental retardation and developmental disabilities. Most of our participants could be successful anywhere they choose to participate but have chosen The Arc. We also give most individuals a chance to be successful even if they are not suited for or have been unsuccessful in other programs. We provide an opportunity for those individuals with more challenging behavioral, social and personal care needs.

Participants of the Arc's Life Enrichment – Adult Program are offered a wide variety of programming opportunities all based on their unique needs and abilities. Programming may range from enhancing very basic self-help and social skills to developing community integration and vocational skills. Training takes place both in a classroom setting and in real life environments like a movie theater or restaurant.

As the need for services grow, The Arc continues to improve existing services and offer new program options. In the summer of 2004 the Arc launched the Life Enrichment – Young Adult Program. This program is aimed at meeting the unique needs of individuals with developmental disabilities aged 16 to 26; many of whom are still in high school or have just graduated. For this group the transition from high school can be challenging and frightening at the same time. The Arc wants to help make that transition a little easier.

Many residents of San Antonio have found the Arc to be the best program for them.

The Arc offers the following to participants of the Life Enrichment – Adult and Young Adult Programs:

- *enhance already acquired skills and teach new skills;*
- *opportunities for pre-vocational and job skills training;*
- *involvement in contract and volunteer work;*
- *unduplicated services, offering opportunities when other programs won't;*
- *help for individuals needing maximum assistance with self-help and personal care needs;*
- *dealing with challenging behaviors;*
- *social interaction with peers;*
- *participation in community integration activities like going to the movies, bowling or out to eat;*
- *involvement with a variety of volunteer groups from area schools and businesses;*
- *Two newly renovated facilities convenient to theaters, shopping, dining and recreational locations; and*
- *a dedicated, experienced, well trained staff who keeps participant safety and well being in the forefront.*

The Arc also offers Case Management and Life Enrichment – Child, an after school childcare program. Please see staff directory on whom to contact regarding questions about these programs.

The Arc offers the following volunteer opportunities:

- *hands-on client and classroom interaction;*
- *serving as a chaperone during community outings;*
- *assisting with office / clerical duties; and*
- *participating in clean-up / fix-up projects*

Serving People With Developmental Disabilities

To Parents and Providers:

Attached is a Physician Medication Order that is used at The Arc for those individuals requiring medications while in our care. This form is to be filled out completely by the physician, not by the parent or provider. This order must be in place before we will assist in dispensing any medication to the individual it is prescribed for; **NO EXCEPTIONS**.

The Arc's Physician Medication Order is good for one year from the date signed by the physician. If there is any change in medication or dosage during that time, a new order must be obtained before we will assist in dispensing.

The Arc cannot assist in dispensing the first dose of a new medication. This is done for the individual's safety in the event any side effects or reactions occur. Please discuss with The Arc nurse, in advance, any new medications or dosages that are started at home. Depending on the medication, the individual may be required to remain at home for the first 24 hours after starting the new medication or dosage to monitor for side effects.

All medications are to be in their original containers/blister pack and must coincide with the written physician's order. To avoid having medications travel back and forth daily, a "school dose" bottle/blister pack may be obtained from the pharmacy. In order to obtain a "school dose" bottle/blister pack, please ask your physician to indicate this specifically on the prescription that is to be presented to the pharmacy.

For any medications that are not taken by mouth (such as G-Tube) or special medications (ex. Diastat), please contact the nurse @ 210.682.4299 ext. 205 for the appropriate physician's form.

The Arc is committed to ensuring the personal growth and life enrichment of individuals with developmental disabilities. Thank you for assisting us with that goal by making certain necessary medications are dispensed by The Arc in a safe and proper manner.

The Arc of San Antonio

Life Enrichment – Adult & Young Adult Programs FAQ's

- **What is the age range of individuals that can participate in the program?** The program delivers Life Enrichment services to individuals with developmental disabilities age 22 or older. We also offer services for high school aged individuals or recent graduates with developmental disabilities aged 18 to 25 in our Young Adult Program.
- **What are the hours of program operation?** The program operates Monday through Friday from 8:30 a.m. until 3:30 p.m.
- **What if I cannot pick up my son/daughter or an individual by 3:30 p.m.?** We have program staff on duty from 7:00 a.m. until 6:00 p.m. to supervise early arrival and late pick-up. However, we do expect families and providers to ensure individuals arrive and are picked up at reasonable times.
- **Is lunch provided?** No, we do not provide lunches. However, we will assist individuals that may have special dietary concerns or need assistance while eating. We ask that participants bring a cold lunch that requires no special preparation. On some occasions we do provide lunch such as a cookout or special luncheon and you will be notified in advance of these occasions.
- **Is transportation provided?** No, we do not provide transportation to or from the program. Arrangements for transportation are the responsibility of the family or provider. If community outings are scheduled we will make arrangements for transportation.
- **Where should I drop off or pick up an individual?** We require all individuals to be dropped off or picked up at the rear entrance (West Ave.) or side entrance (Pam Stephens Center) to the building. We ask this for safety concerns and because program staff members are always available at this entrance to assist and monitor the arrival or departure of individuals.
- **Is there a nurse on staff?** Yes, we have an RN on staff. However, she covers two locations and is not always in the building.
- **Can individuals take medication during the day if there is a need for this?** Yes, program staff members will assist individuals that require medication to be taken during the day. We do require a written physician's order for all medication that will be taken while attending the program. When medication reaches a 5-day supply the individual's family or provider will be notified to replenish the medication.
- **What kinds of activities do individuals participate in?** Individuals participate in a variety of activities that enhance existing skills or teach new skills that enable them to maximize their independence. Skill areas may include but are not limited to: personal skills development, motor skills, home skills, community integration skills, functional academic skills, leisure skills, arts and crafts skills and pre-vocational skills.
- **What kind of community integration activities does the program offer?** We try to offer a variety of outings and fieldtrips that focus on both learning and recreational experiences. Examples of these might be going to a fire station, a museum, or going bowling.
- **Are there extra costs involved in community outings?** Depending on what type of community outing we have scheduled, we may ask that parents or providers send additional money to defray admission or food and beverage costs.
- **How many individuals are in a classroom or group?** Groups vary in size and are based on consumer level of functioning, personalities, space limitations and type of activity. The typical group consists of 15 – 20 individuals.
- **How many staff members work with each group?** We always attempt to have a 1 staff to 7 clients ratio.
- **Can I visit the program during the day when an individual is there?** Yes, family members and providers are always encouraged to visit the program on a regular basis. We only ask that when you come

to visit the program or an individual, that you enter through the front entrance and sign the logbook at the front desk. Also, please ask the receptionist or some other staff member to let the Life Enrichment office know you are here.

- **Can a family member or provider representative participate in or attend special activities that are held at the Arc?** Yes, we often have special seasonal activities or events and extend an invitation for others to attend. This is a good opportunity for you to spend additional time with your family member or consumer.
- **Who should I contact with special concerns, instruction, or if I just have a question?** We ask that you contact the Life Enrichment office at any of the following extensions: 210-490-4300 x114, x117, x119 or x125. There are individuals at these numbers who will be able to assist you and answer any questions you may have. You may also leave a voice-mail message if you wish to have a call returned.
- **Can individuals with significant behavioral, medical, toileting, or other concerns attend the program?** Yes. However, we look at new applicants on an individual basis and assess our ability to serve them based not only on past history, but also on their current ability to function in our program. Significant concerns and needs are taken into account when we are making a determination to serve an individual and we will be as honest as possible in our ability to delivery quality services.
- **How are emergencies handled?** We always require emergency contact numbers for all individuals that attend the program so in the event of an emergency we can contact someone. Should there be a serious medical or injury related emergency we will contact 911 prior to contacting the family or provider.
- **Are there any activities offered after regular program hours or in the evening?** Yes, there are a variety of activities offered at the Arc after regular program hours. However, many of these activities are not part of the Life Enrichment program. You can contact Pam Stephens at 490-4300 x120 for additional information on activities.
- **How will I know when the program will be closed for holidays or other reasons?** All consumers, families and providers will receive a calendar during January of each year, which indicates the days in which the program is closed. We also send out a notification several days in advance of each scheduled closure just as a reminder. In the event of bad weather The Arc location on West Ave. will be closed if the North East Independent School District is closed. The Pam Stephens Center will be closed if the Northside Independent School District is closed. Call The Arc or watch local news for school closings.
- **How much does it cost for an individual to attend the program?** Program fees are based on an individuals current Level of Need and are charged as a daily rate. Typically, the more involved an individual is, the more it costs for them to attend the program. Fees range from about \$11.25 per day to \$145.99 per day depending on the needs of the individual.
- **How will I be billed?** You are billed monthly based on enrollment status. If the individual is enrolled full-time, you are billed for all days the program is open, regardless of attendance. If the individual is a student or enrolled part-time, you are billed for the number of days attended. Certain minimums apply.
- **What if I have questions about my bill?** If you specific question regarding your bill you may contact our financial office at 210-490-4300 x118.

IF YOU HAVE OTHER QUESTIONS, PLEASE CONTACT THE LIFE ENRICHMENT OFFICE AT 210-490-4300 x114, x117, OR x119.
