Wines listed in suggested tasting order.

Lot 228, 2010 Sori Italy Moscato d'Asti

Notes of jasmine, honeysuckle and white peach coming through on the palate. Beautiful and bright, this is the perfect aperitif. With some well balanced residual sugar and notable spritz (frizzante), the finish is impeccably clean and refreshing. In fact, this perfectly balanced Moscato is quite a pleasure after encountering some of the dark, syrupy Moscatos that do damage to a good, crisp Moscato's reputation.

Lot 256, 2010 Napa Valley Rosé

Riveting aromas of strawberries, cherry, jolly rancher, and juicy red fruit. The mid-palate is layered in mouth-watering richness. A sumptuous wine with great acidity and a lovely crisp finish.

Lot 242, 2009 Atlas Peak Chardonnay

A radiant and uplifting wine. Aromas are tautly assembled with citrus oil, lime leaf and green apple. Brilliant minerality is buttressed with concentration and perfect balance. Vibrant and fulfilling, this wine is of great caliber for the price. *(Available in select TX Costco stores.)*

Lot 280, 2009 Arroyo Seco Chardonnay

Woven with layers of citrus, white fig, toasty oak and hazelnut. Opulently styled with waves of fruit essence. Crisp acidity and beautiful savory notes on the palate carry through to a long, lingering finish.

Lot 219, 2009 Monte Rosso, Sonoma Valley Zinfandel

Gold Medal, Orange County International. Classic black pepper and brilliant berry flavors soar skyward framed by creamy oak. Aromas of blackberry, cherry and mulberry underpinned by vanilla and baking spice dominate the nose. On the palate, juicy berries couple with firm acidity and soft, supple tannins. Beautiful fruit with a bold, yet playful finish.

Lot 250, 2009 Napa Valley Meritage

A lovely, peppery nose of raspberries and plum skin. Saturated black cherry and fresh acidity provide structure to this delicious fruit bomb. With great fruit, acid, and a killer structure, this wine presents Napa in a great package. Wicked-good. *(Available in select TX Sam's Club stores.)*

Lot 251, 2009 Arroyo Seco Monterey County Syrah Grenache Mourvedre

Sweet red fruits overlaid with graphite, espresso, and blackberry. Fresh, dense, rich and elegant, It's a superb take on Rhone blending done California style. This wine plays great acidity off of sweet fruit for a rich yet playful blend. *(Available in select TX Costco stores.)*

Lot 224, 2009 High Valley Lake County Syrah

Leaps forth with sensational floral aromas integrated with black fruit, licorice, roasted meat and cassis. This wine is finely built with underlying concentration and richness. With great old-world qualities and incredible acid, this wine represents great winemaking and the excellent terroir of High Valley.

Lot 275, 2010 Mendoza Argentina Malbec Reserva

Ripe cherry and plum on the nose. Full bodied, dark fruit balanced with a kiss of oak make for a bold, balanced Malbec. As some Malbecs tend to fall flat and flabby, this wine presents great acid and fine-grained tannins for a great mid-palate maintaining a long and luscious finish.

Lot 247, 2009 Napa Valley Cabernet Sauvignon

An opulent wine with velvety, silken tannins. Concentrated blackberries intertwine with cherry-infused fruit. Black licorice, espresso and integrated oak shimmer in the background of this elegant mountain fruit Cabernet. With fine-grained tannins and framing acidity, this wine shows old-world grace and plenty of fruit on the palate.
