

VISUALS MAKE A DIFFERENCE!

Summer is coming! Are you ready for your child/young adult to be home? Would you like to have materials to help make your child/young adult's day structured, happy and successful? Come to our caregiver **Make and Take!** We will show you the items you can use at home to create structure in your loved one's day including **schedules, visuals, "First" and "Then," Behavior Flip books and more.** The Arc Director of Curriculum will be on hand to answer questions and walk you through the process of creating individualized visuals. You will leave the workshop with hands-on materials you can use.
