The Achiever of the Year Awards Banquet is an annual event, attended by over 400 guests, honoring individuals with intellectual and/or developmental disabilities for their accomplishments. Achiever Awards are given to individuals, ages 0-100, who have accomplished major goals in their life. For individuals with disabilities, this could be a simple task or a monumental accomplishment such as obtaining a job. These individuals are nominated by over 30 local non-profits across San Antonio. The event demonstrates community partnership in providing opportunities for individuals with special needs. This year's dinner will be held on September 26, 2018 at Morgan's Wonderland. Support from the community allows us to keep this event free for the Achievers and affordable for their family and friends. Please join us in celebrating the incredible accomplishments and ability, rather than disability, of these amazing Achievers!
