

COMMUNITY RESOURCE DIRECTORY

The Arc of San Antonio was founded in 1954 by a group of parents who needed support and services for their children with special needs. Today, the mission of The Arc is to enhance the quality of life for children and adults with intellectual or other development disabilities. The Arc is a private non-profit agency that provides a wide array of social services, information, referral, client support and advocacy for people with developmental disabilities and their families.

MARCH 2019

Copies of this directory are available online at
